

NOBLE FIRS POOL AND CLUBHOUSE USE POLICY 2021. *This policy will be in effect until further notice.* The pool and clubhouse will open Saturday, May 29, 2021. It will remain open as long as State of Washington and King County allows use under pandemic guidelines. Established guidelines as follows:

- **RESIDENTS and RESIDENT FAMILY GUESTS WILL BE ALLOWED TO USE THE POOL**
- *We are restricted by King County recommendations to allow only 24 people in the pool and deck surface at any time.*
- Adult swim only 7 a.m. until 11 a.m and 3 p.m. until 5 p.m.
- Children with resident owner supervision hours will be 11 a.m. until 3 p.m.
- Open swim for all will be 5 p.m. until 10 p.m.
- Hours for pool use will be 7 a.m. until 10 p.m. (The pool and pool deck surface will be closed everyday during noon until 1 p.m. for pool inspection and deck surface cleaning.). When you leave, please put chairs back where you found them and all water toys away.
- **A total of ten people are allowed in the pool at one time.** Maintain proper social distancing by staying at least six feet away from anyone that you are not living with or consider in your pandemic bubble. This includes inside and outside of the pool. Because of capacity limitations please consider limiting your time at the pool to two hours. We will not have a signup sheet so please be courteous to each other about use time.
- The clubhouse will be open to small groups and facilities use except the saunas. Swimmers needing the use of the clubhouse, please wipe down any surfaces you touch with a disinfectant wipe. Wipe up any pool water that is tracked into the clubhouse with the mop provided. Saunas are closed until further notice.
- When you arrive at the pool area, we ask for your safety, that you bring disinfectant wipes and wipe down chairs and table tops and edges. Door handles and pool hand rails as well.
- The barbecues are available for use. Please remember that glass or ceramic ware are not allowed in the pool area and please clean up after use. This includes cleaning the barbecue grill and equipment and wiping down the handle on the BBQ.
- We are expanding the use of the clubhouse kitchen, bathrooms, showers, workout equipment, library and TV room use beginning May 29th. However, all pandemic safeguards must be adhered to. This includes, facemasks, limit number of people to ten in a group (one person on workout equipment unless it is a family group), keep six feet apart and clean up after each use. Maybe only one in the shower at a time too (not ten)?
- Reserving the clubhouse will be considered on a case by case basis. Please check with Vonnie Breidenstein for approval and sign up.
